**You**

Draw a flat cartoonish illustration of plenty of dancing whimsical hamsters. The hamsters are front facing and organised in several rows. The hamsters have various shapes and colours. The hamsters look happy

**ChatGPT**

Here's the illustration of the happy, dancing hamsters, organized in several rows, each with their own whimsical shape and color.

**You**

Good. Do it again with hamsters of more varied shapes: short, tall, plump, skinny. Also because the hamsters are dancing some are back faced or side faced
